## MESSAGE FROM THE MUNICIPALITY

Welcome to the Municipality of Crowsnest Pass Community Guide. As part of Municipal Council's ongoing commitment to serving and informing the public, the Community Guide is a new initiative that will be published twice a year: Spring/Summer (April to August) and Fall/Winter (September to March). This publication is a comprehensive guide to community facilities, sports, recreation, social programs, parks, arts, culture and more. As such, it will be an invaluable resource for all residents and tourists.

As you will see throughout the guide, there is significant investment and commitment to supporting various leisure and social opportunities in the municipality. These opportunities are vital to the quality of life in our community, and we encourage you to get out and try something new.

Thank you to all the organizations and groups that offer their programs and services in the community, and for their contributions to the Community Guide.

Mayor & Council  
Mayor Blair Painter

## WHAT IS FCSS?

The Municipality of Crowsnest Pass Family and Community Support Services (FCSS) is a cost sharing program between the Province of Alberta (80%) and the Municipality of Crowsnest Pass (20%). Communities deliver and support social programs that are preventive in nature to promote and enhance well-being among individuals, families, and communities.

The FCSS philosophy is based on a belief that self-help contributes to a sense of integrity, self-worth and independence. The programs funded and or developed by FCSS are intended to help individuals in our community to adopt healthy lifestyles, thereby improving the quality of life and building the capacity to prevent and/or deal with crisis situations should they arise.

The following Programs and Services are offered through FCSS:

## VOLUNTEER PROMOTION

Volunteers are often the heart of many organizations here in the Crowstpass. Sometimes finding volunteers can be difficult. In an effort to make volunteer recruitment a little easier, Family and Community Support Services is offering to assist local organizations with the promotion of volunteer opportunities.

A Volunteer Information Display Board will be displayed on the exterior wall at the entrance of the Municipal Office. This display board will display local Volunteer Opportunities submitted by organizations to the FCSS Department. Volunteer Opportunities will also advertised on the Municipal Website and Facebook.

Whether you have a need for year round volunteers or volunteers for specific events we can help. The process is simple. Complete the Volunteer Job Design form and return to Family and Community Support Services by email at kim.lewis@crowstpass.com, fax at 403-563-5474 or by dropping it off at the Municipal Office.

For more information please contact Kim Lewis at 403.562.8833 or by email at kim.lewis@crowstpass.com.

## What does it take...

Many of us love the snow and the fun that it brings, but for some people, particularly seniors or persons with disabilities, shoveling the snow can be very difficult and even dangerous.

They need help...they need a Snow Angel.

All you have to do to be a Snow Angel is pick up your shovel and help a neighbour in need! When you are shoveling your own driveway or sidewalk, just take a couple extra minutes to clear your neighbours as well. They will appreciate your efforts and the ease of getting around outside. Keep an eye out for people in your neighbourhood who could use help removing snow from their sidewalks and driveways and lend them a hand.

### NOMINATE YOUR SNOW ANGEL

Do you have a SNOW ANGEL? Do you know someone who is a SNOW ANGEL? Call Kim Lewis (Family and Community Support Services) at 403-562-8833 to have their name entered for fabulous monthly draws.
